

# CHRISTMAS GIFTS

Each week during Advent we will be collecting gifts for Starter Packs used by the Camden & City Churches Cold Weather Shelter team to equip those transitioning from homelessness to independent living.

Each Sunday, at our morning services, as we light our Advent candles members of the Sunday Club will help us recognise the significance of our gifts.

Gifts may be left under the Christmas Tree in church at any time and we hope that visitors and regular users of the building may wish to add gifts during the week too.
